Carnival

- 6:00-8:00 p.m., May 11th at the Middle School.
Lots of volunteers needed - we are expecting ~400 people. Set up will begin at 5:00, and cleanup will take until 9:00. We will be charged for anything we don't get clean! Food will include hot dogs, chips, rice crispy treats and water. Jessica Snyder will check with the Sports Boosters to see if we can get permission use their concessions stand or tables in the rotunda. She will also check on what the rules are for serving food outside in case of good weather. Billie is food certified and volunteered to help. High school and middle schools students have volunteered, as well as teachers. We will order new prizes (what we have is very old) for the Carnival.

Lugnuts
