

PTO November Minutes

11/21/12

Reports

Secretary & Treasurer's reports accepted.

Fundraisers

- fall totals will come in January
- New method of collection is working well - no losses so far.
- We will renew our contract w/ Frankenmuth (they supply the inflatables for Carnival).
- Erin Thompson is working with volunteers to sell waterbottles (NHS, FCCCA, Student Council, Service Learning, Alma College Education). We've made \$175 and are down to 4 boxes. We need to clarify the cash box arrangements regarding age requirements.
- Bookairs: Luce Rd. bookfair was held the week of Dec. 5; Hillcrest will be week of Jan. 30; Pine will be week of Mar. 5. A sign and teacher letter will be at Luce Road the week after Thanksgiving.
- Book Drive: All principals accepted the idea of taking used book donations for those students in need.

Carnival

- May 18 will not work (conflict with Lugnuts game). A couple of possible dates will be chosen (5/11, maybe 5/4?). We hope to have it at the middle school. Frankenmuth can only come on weekdays.

Labels, etc.

- Katherine is counting labels/box tops.
- Erin Thompson needs approval for My Coke Rewards flyer. Principals will act as representatives and set up accounts for each school. Sheryle will ask Katherine to enter codes for the accounts. We will see what the response to this is before we decide to commit to this as an ongoing fundraiser.
